

DREAM CRUISER

a night under the stars

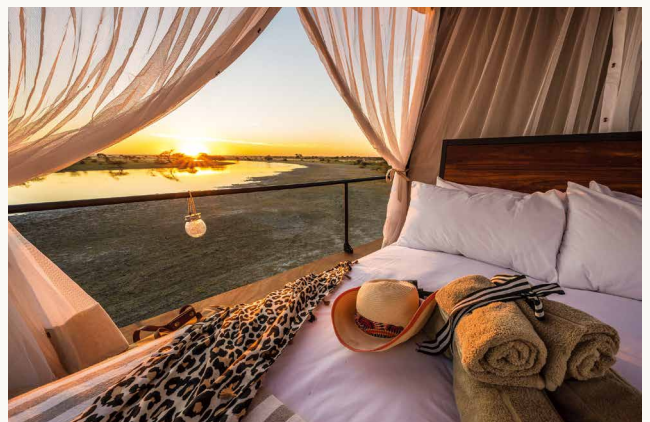

The Dream Cruiser is Onguma's most exciting and unique experience. Adventurers, romantics, and nature lovers will enjoy this truly unique experience. Custom-built on a Land Cruiser, it offers guests the opportunity to spend a romantic or adventure-filled night overlooking a waterhole in the reserve.

Upon arriving at the Dream Cruiser around sunset, guests enjoy sundowner drinks before the chef delivers a three-course, meze-style dinner to be enjoyed beneath the African night skies. Built on two levels, the Dream Cruiser features a full bathroom downstairs complete with shower, flush toilet and basin, while the upper deck features a bedroom and lounge area. Your ranger is on call via a two-way radio, so make the most of your evening and relax in the safety and comfort of this unique space.
